3 COUNTER CONDITIONS

Bidders' attention is drawn to the fact that amendments to any of the RFP Conditions or Master agreement or setting of counter conditions by bidders or qualifying any RFP Conditions will result in the invalidation of such bids.

4 FRONTING

4.1 Government supports the principles of broad-based black economic empowerment and recognises that meaningful empowerment, fair competition and sound public procurement can only be achieved where bidders, contractors, individuals and businesses conduct themselves in a manner that is consistent with the Constitution of the Republic of South Africa and in an honest, fair, equitable, transparent and legally compliant manner. Against this background, the CSIR condemns any form of fronting, fraud, misrepresentation, false declaration or the submission of information, documents or claims that are misleading, inaccurate or not credible, including but not limited to claims relating to experience, qualifications, capacity, resources, quality, certifications, ownership, subcontracting arrangements, local content, compliance status or any other material aspect of a bid or contract.

4.2 The CSIR reserves the right, at any stage of the procurement process or during the life of any resulting contract, to verify, investigate or require substantiation of any representation, statement, document or claim made by a bidder or contractor, whether relating to fronting or to any other material aspect of the bid or contract, including experience, past performance, qualifications, technical capability, quality standards, resources, personnel, certifications, pricing, ownership, subcontracting arrangements and legal or regulatory compliance. If the CSIR determines, or has reasonable grounds to believe, that any such information is false, misleading, inaccurate, fraudulent, non-credible or constitutes fronting or any other material misrepresentation, the CSIR may, in addition to any other rights or remedies available in law, disqualify the bidder, reject the bid, terminate negotiations, cancel the award, cancel or terminate the contract, recover any losses or damages suffered, report the matter to the relevant authorities, and take steps to restrict or bar the bidder or contractor from doing future business with the public sector or with the CSIR, subject to applicable law. The CSIR may further take such conduct into account in assessing the bidder’s or contractor’s integrity, reliability and suitability in any future procurement process.

5 PRICING PROPOSAL

5.1 Pricing must be provided in South African Rand (including all applicable taxes less all unconditional discounts).

5.2 Prices that are subject to escalation and exchange rate fluctuations are to be clearly indicated, with the currency and rate of exchange (ROE) used in the quotation must be clearly indicated. For prices subject to ROE variations, bidders must indicate the ROE used by 12:00 p.m. (South African Time) on the date of issuing this tender. Bidders must also indicate the source of ROE used. The bidder must provide a total cost breakdown and escalation formula.

Quotations should include a clear cost breakdown, showing where applicable:

- Ex-works (EXW) price of the goods

- Inland cost, e.g., transport and export clearance and handling up to FCA point
- International freight (CPT or equivalent)

Quotations will be evaluated based on **total landed cost, delivery reliability, compliance with export/import requirements, technical conformance, and supplier capability**. The contract will be awarded to the quotation representing the **best overall value**, which may not necessarily be the lowest price.

6 APPOINTMENT OF SUPPLIER OR SERVICE PROVIDER

6.1 The contract will be awarded to the bidder who scores the highest total number of points during the evaluation process, except where the law permits otherwise.

7.4 Timeous finalisation of this agreement will be an absolute pre-condition to the recommended bidder’s appointment to provide goods or services to the CSIR.

7.5 If the recommended bidder(s) fails to sign the proposed agreement within the time frame stipulated, CSIR reserves the right to:

7.5.1 cancel the award to the recommended bidder;

23 INDEMNITY

If a bidder breaches the conditions of this bid and, as a result of that breach, the CSIR incurs costs or damages (including, without limitation, the cost of any investigations, procedural impairment, repetition of all or part of the bid process and/or enforcement of intellectual property rights or confidentiality obligations), then the bidder indemnifies and holds the CSIR harmless from any and all such costs which the CSIR may incur and for any damages or losses the CSIR may suffer.

29 AVAILABILITY OF FUNDS

Should funds no longer be available to pay for the execution of the responsibilities of this bid, the CSIR may terminate the Agreement at its own discretion or temporarily suspend all or part of the services by notice to the successful bidder who shall immediately make arrangements to stop the delivery or performance of the services and minimize further expenditure: Provided that the successful bidder shall thereupon be entitled to payment in full for the services delivered, up to the date of cancellation or suspension.

Bidders will retain the intellectual property rights in their proposals but grant CSIR the right to reproduce any copyrighted works for the purposes of the tender process.
