CONTRACT PRICE ADJUSTMENT (CPA) REQUIREMENTS FOR LOCAL GOODS AND SERVICES.

The application of contract price adjustment (CPA) to tender submissions

Note: This Section will not be applicable to Professional services contracts (See relevant section hereunder for guidelines on this).

1. Application of CPA

- CPA conditions may apply if the contractual duration is to be longer than 12 months.
- If the contractual duration will be less than or equal to 12 months, a fixed priced offer must be submitted.
- For contracts with a duration more than twelve (12) months, CPA will not be applicable for the first year. CPA will then only be applied from sixteen (16) months from the base date onwards.
- Failure to propose contract price adjustment, or submit a CPA formula with the tender submission, will result in the pricing being considered fixed and firm and the contract price will be treated as fixed for the duration of the contract.
- NTCSA will not accept Rate of Exchange adjustment to be included in any CPA formula.
- Local indices may not be used for CPA purposes for any imported component.
- There must be separate CPA formulae for local and foreign CPA. Local and foreign escalation may not be combined into one formula.
