RE-ADVERTISEMENT: APPOINTMENT OF A SERVICE PROVIDER FOR HEAD HUNTING SERVICES OF TWO (SECTION 56) SENIOR MANAGERS

BID NUMBER

(Q41-02-2026-27)

1. INTRODUCTION AND PURPOSE

The City of Tshwane implemented the Metro Trading Services Programme reforms and restructured the macro-organisational structure, which established the Trading Services Business Units as strategic entities reporting directly to the City Manager.

The City must appoint Business Unit Heads to head each of the two Business Units for Water and Sanitation and Energy and Electricity respectively.

2. BACKGROUND

The City of Tshwane embarked on a recruitment and selection process to advertise and fill two Business Unit Head positions. The positions were initially advertised in Job Forum 27/2026 and subsequently re-advertised in Job Forum 41/2026. On both occasions, the recruitment process did not yield a sufficient number of suitably qualified candidates to enable the City to finalise the shortlisting process.

At its Council meeting held on 25 June 2026, Council resolved that, should the re-advertisement process fail to yield suitably qualified candidates, the City Manager be delegated the authority to utilise recruitment agencies, in terms of Regulation 10(4) of the Local Government: Regulations on Appointment and Conditions of Employment of Senior Managers, to recruit and appoint suitable candidates through a head-hunting process.

3. PROJECT SCOPE

The appointed service provider shall be responsible for identifying, sourcing, screening and presenting suitably qualified candidates for the following two positions:

- Business Unit Head: Water and Sanitation; and

- Business Unit Head: Energy and Electricity.

The scope of work shall include, but not be limited to, the following:

- Conducting targeted head-hunting and talent acquisition activities to identify suitably qualified and experienced candidates who meet the minimum requirements and competency requirements of the respective positions.
- Screening and assessing identified candidates against the approved job requirements and minimum qualifications, experience and other applicable criteria.
- Providing the City of Tshwane with the complete and updated CVs of at least four (4) suitably qualified candidates per position for consideration and further assessment by the City.
- Ensuring that all candidates presented have been appropriately screened and meet the minimum requirements of the respective positions.
- Providing any relevant supporting information obtained during the recruitment and screening process to enable the City to consider the suitability of the candidates.

The assignment shall be considered successfully completed upon the successful recruitment and appointment of suitable candidates to the two positions through the service provider's head-hunting, recruitment and talent acquisition efforts, subject to the City's applicable recruitment and selection processes and approval requirements.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1 This Municipal Bidding Document (MBD) must form part of all bids[1] invited.

2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).[2] Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.

3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:

a. take all reasonable steps to prevent such abuse;

b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and

c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

[1] Includes price quotations, advertised competitive bids, limited bids and proposals.

[2] Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
