[1] Includes price quotations, advertised competitive bids, limited bids and proposals.

[2] Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. 9. The service provider must confirm acceptance of a booking within 24 hours of receiving the advertising instruction and material from the Municipality. Written quotations and/or booking confirmations must be submitted to the Municipality for approval in respect of each advertisement prior to placement.

10. Deadlines for the submission of advertising material by the Municipality to the service provider will not, as a rule, exceed 72 hours before print publication or 48 hours before online publication. The service provider must be able to accommodate these turnaround times.

11. Proofs must be returned to the Municipality within 24 hours of the advertising material being received from the Municipality, to allow the Municipality sufficient time to review and sign off the proofs before the applicable deadline.

12. The appointed service provider must ensure that all Municipal advertisements maintain a consistent layout in terms of font type and size, spacing, justification, and the size of the Municipal logo, and must at all times adhere to the Knysna Municipal Corporate Identity Manual.

13. The same principle applies to services that reside with the Municipality but which have their own distinct, related Corporate Identity Manual, such as Visit Knysna (Tourism).

14. Where practically possible, the Municipality's advertisements must be grouped together by category, for example, tender notices together, recruitment advertisements together, legal notices together, and general notices together.

15. All advertising material, whether supplied by or developed for the Municipality and its associated services remains the sole property of the Municipality. Such material may not be used by the service provider or any third party for any other purpose without the Municipality's prior written consent.

16. All rates quoted must be inclusive of VAT, with VAT reflected as a separate line item.

3. Standardised Size Advertisements

3.1. Newsprint

Bidders must quote on the standard advertisement sizes set out below. These sizes are provided as a general industry guide; where an individual publication's page dimensions differ, the service provider must advise the Municipality of the closest equivalent size and adjust artwork accordingly at no extra cost. Custom or non-standard sizes may be requested by the Municipality from time to time and must be quoted for separately.
